Concessions on Tuition Fees (SV Students Only)

This information on concessions on Course Administration fees applies to SV Students undertaking training courses categories except Skills Deepening (Diplomas and above).

The concession fee is the same as the minimum fee for the relevant course category. For courses in the Skills Deepening category, you may be able to access financial assistance in the form of a loan.

Who is eligible for a concession?

The fee concession is available to people in the following groups:

- Commonwealth Health Care Card holders, and their dependent children and dependant partners
- Pensioner Concession Card holders, and their dependent children and dependant partners
- Veteran’s Gold Card holders (but not their dependants).

To receive a concession, the person enrolling must either have the card or be able to show that they are a dependant of a card-holder.

Indigenous students

Under an Indigenous Completions Initiative, Indigenous students pay only the minimum or concession tuition fee for all courses, including courses in the Skills Deepening category.

If fees are being paid by the Australian Government

If the Australian Government is funding your enrolment, the concession fee is not available. If you are referred to a provider by an agency of the Australian Government, for example a Job Network agency, you should pay the standard tuition fee and then seek reimbursement from the agency.

Fee Exemptions

This information applies to students undertaking training courses. For government funded training places fee exemptions may be granted for the following reasons. Exemptions apply to courses at all levels, including Skills Deepening (Diploma courses and above).

If the applicant chooses to delay the commencement date, the student enrolment advisor contacts the applicant to ascertain why. A follow-up process is instigated using this information.

Eligibility Exemptions
Exemptions may be granted for individuals who do not meet the eligibility requirements detailed in Clause 1 of this Schedule 2 [of the Service Agreement] (referred to as Eligibility Exemptions)
