**Purpose**

MCC (including Civil Force Training (CFT)) will ensure that all enrolments for courses are completed correctly and in accordance with:

- ASQA and National Vocational Regulator Standards for Registered Training Organisations (RTOs) 2015.
- 2015 Service Agreement Victorian Training Guarantee Program (2015 Service Agreement) requirements including:
  - Schedule 1 Victorian Training Guarantee Program Specifications
  - Schedule 2 Single and Teenage Parent Initiative (if appropriate to the RTO)
  - 2015 VTG document including, Guidelines about Determining Student Eligibility and Supporting Evidence [summarized below] in the 2015 VTG documents that relate to Evidence of Eligibility and Student declarations (see attachment below)

8. Student selection is based on the principles of assess and equity and consistent with the specific course requirements (pre-requisites).

**Scope**

This policy provides information for Students (including VTG Government Funded Students) about enrolment policy and procedures to VET courses of study offered by the MCC. Procedures are open, fair and transparent for making decisions about the selection of students, which are based on the published clearly-defined requirements.

The enrolment of students into a Full course (full qualification) or short course (statement of attainment) will be the responsibility of the MCC authorised delegates in accordance with this policy and procedure.

Please note that MCC only delivers its course via distance education, whereas CFT only delivers training in classroom face to face.

All MCC authorised delegates must read this Student Enrolment policy and procedures and attachments and attend an information session, outlining their responsibilities when enrolling students.

All MCC authorised delegates must sign MCC Authorised Delegates Compliance Register before they enrol any student into any course.

**Content**

MCC shall ensure that all applicants seeking admission will be treated fairly and equitably. It has open, fair and transparent admission procedures that are based on clearly defined entry criteria used for making decisions about the selection of students. Students are selected on merit, based on the published criteria, and on an individual case by case basis. Throughout the process of selection and admission, all applicants are treated courteously and expeditiously.
All applicants who are eligible for funding under the Skills Victoria funding program are advised of the additional criteria during the Pre-Admission Process. Applicants are neither advantaged nor disadvantaged by their eligibility for the Skills Victoria funding program.

Entry criteria and application procedures are published in the Institute’s brochures and on the Institute’s website.

The Institute consistently applies procedures for verifying applicants’ credentials and the granting of Course Credit. This ensures that students entering a VET course of study have an adequate basis of knowledge and skills to successfully undertake the studies proposed.

Offers are for admission to a specific VET course of study on MCC’s scope, and may be made on a conditional basis; if the applicant does not fulfil any condition(s) imposed by MCC may not enter the VET course of study. These conditions may include, pre-requisites, English Language, Literacy and Numeracy (“LLN”) ability and/or achievement of an academic requirement where evidence of attainment was not available at the time of application.

In cases where the applicant is assessed as not being eligible to enter the VET course of choice, a review of alternative VET courses of study occurs and, where possible, the applicant is advised of any he/she is eligible to enter.

Applicants with past study in other VET courses of study or significant work experience may apply for exemptions (Course Credit) through the Course RPL Policy and Procedure (including Recognition of Prior Learning).

Records are retained of the admission procedure, and students may access their individual records in accordance with the MCC Privacy Procedure.
