### Action/Method

Students are required to complete their studies within the timeframe indicated on their signed Training Plan. The Institute shall endeavour to ensure all Students are given the opportunity to complete their Agreed Training Program within this timeframe.

A signed copy of each student’s Training Plan will be kept on the student’s file. Material variations to the Training Plan will be noted (either on or a separate document) and also be retained within the student file. MCC enrols all Students as Distance Students with the option of attending classroom workshops.

All students may attend the Institute on a full-time or part-time basis to ensure they meet the course requirements. This attendance is monitored as indicated in the Monitoring Attendance Policy & Procedure which is required as part of the NVR Standards.

MCC Course Extensions during the Student’s Agreed Study Period will only occur if the expected duration will not be satisfied as specified on the original Student’s Training Plan, as the result of:

a) compassionate or compelling circumstances (for example illness where a medical certificate states that the student was unable to attend classes or where the registered provider was unable to offer a pre-requisite unit);
b) the Institute implementing its intervention strategy for students who were at risk of not meeting satisfactory course progress; or
c) an approved deferment or suspension of study has been granted or

d) Transition due to the introduction of New Training Packages or qualifications (eg. FNS04 to FNS10) or (Diploma of Financial Services (FNS50610) to (FNS50611)
e) it being in the best interests of the Student as deemed by MCC.

MCC will follow the steps outlined in the following policies and procedures where a student is identified to not having satisfied one of the above circumstances:

- Monitoring Attendance Policy / Procedure
- Monitoring Course Progress Policy / Procedure
- Deferment, Suspension & Cancellation of Enrolment Policy

All materials changes to a Student’s Agreed Program Delivery shall be mutually agreed to (orally or in writing) and recorded on the student record file and records / documents of reasons and the decision process to be kept in student files.

MCC will update the Agreed Program Delivery according to any changes mutually agreed throughout the Training Services period. These changes shall be endorsed (orally or in writing) by the Eligible Students.
